SUMMARY OF THE REASONS FOR DECISION:

The CD-ROM slick entitled *Teenage Street Sluts* promotes and supports the exploitation of young persons for sexual purposes because it contains a description which invites the viewer to view "images depicting teenage girls in the most compromising positions. See them doing things you would never believed possible at so young an age." It is considered that this statement promotes and supports the sexual objectification of teenagers, and encourages the viewer to see the depictions of young persons engaged in adult sexual activity. Consideration was made of s14 of the New Zealand Bill of Rights Act 1990 (NZBR Act). However, this publication is deemed objectionable under s3(2) of the Films, Videos, and Publications Classifications Act 1993, which overrides the NZBR Act. Accordingly, *Teenage Street Sluts* is classified as:
Objectionable.
